What types of products is CDM seeking?

How are vendors/products selected?

Vendor selection is based on what CDM needs to produce a community event keeping in line with its mission; not on a first-come, first-served basis. All vendors are required to submit a *complete* online application found at <http://www.christkindlmarketdsm.com/vendors/vendor-application/>.

Each product will be reviewed based on several criteria, including point of origin, handcrafted original design, the number of similar products currently at CDM, products consistent with those sold at a European Christmas market and other pertinent criteria. CDM staff reserves the right to approve, refuse and limit products sold at CDM. While exclusivity does not exist, a limited number of vendors will be approved to sell certain products. Applicants are reviewed based on the entire range of products proposed to sell at CDM. *Vendors are not allowed to add or change products after the application process is complete or at all during the event.*

Making a positive impact

As we work to maintain a sustainable future for CDM, we want to consider the impact we make on the community: socially, economically and environmentally. Part of the vendor application includes questions on the sustainability actions of applicants. We are particularly interested in the use of biodegradable or recycled source packaging and food containers. Though this is not a selection criterion, we would like to use it as an opportunity to showcase the positive work of our vendors.

CDM will provide each wooden stall vendor with one stall at a location to be determined by the CDM event planning committee. Vendor stall description:

The CDM event planning committee is strict about stall decor and product display; the decor of the stall must fit with the European-style theme of the event, and merchandise must be displayed in a clean, uncluttered

fashion. As such, all vendors are mandated to work with CDM staff leading up to and during setup of the event. Further information will be provided upon acceptance.
